A REPORT ON HOW SEX IS MADE

Blogging

I'm a Los Angeles based blogger driving down the 101 to Santa Barbara. It's a scenic drive but I'm hoping that when I get there it will all be worthwhile. You see, three months ago I received an email from a famous porn star saying he would be directing his first movie for a major LA studio and asked if I would like to cover it. 'Cover it?' I asked him what 'cover it' meant. He told me that he was looking for exposure for the movie and his directing. He would let me be on set, interview the actors and crew, and send me a copy of the DVD. 'DVD?' I asked. No one makes adult movies for DVDs anymore. It's all gone digital. "Not all of it," he explained.

Apparently there's still a thriving DVD market below the Equator. He said he was contacted by a porn director down under who he had worked with in Australia and offered the gig to him. He said they would finance all of it if he would cast it with specific models that were popular down there. He said he'd do it but needed some time to pull it together. That was over three months ago and now he had everything in place to shoot. There would be three days of shooting and I could stay for all three, but there would be two other reporters there also. One from Sydney and the other from Lima, Peru who would come along with the producers. At first I hesitated, but when he told me who was going to be in the movie, I jumped right in.

I left at five in the morning to get into Santa Barbara by eight. I followed the onboard navigation to the destina-

tion where I was greeted by security at the gate to the grounds. I pulled up the email on my phone and he let me pass. I drove up the driveway to find a modern, sprawling house with great views of the ocean. There were about a dozen cars and a couple short chassis bobtail trucks. I saw people milling around and I asked one of the guys, looked like crew, where I could find the director, Decker.

He pointed into the house and I went in. The foyer was large and the view into the house looked like a small ant colony. Crew was setting

up. Craft services was in a far corner; the actors, I assume, were back in some room getting made up. Even though I had never met Decker, I recognized him from some of the scenes he was in. A thirtyish, tanned faced man; slim and personable. I went over to him and the five others around him as they were setting the first scene. I hesitated a few feet from the group as lighting was being set up.

One of the younger guys in the group noticed me and nudged Decker to turn around. I introduced my self and he thanked me for coming. Decker then introduced me to the others there. David was the money man from Aussie. Benny was the reporter from Sydney, and Juan was the Peruvian. The fifth guy standing there was Brad, the PA and Decker's right hand guy. Decker offered me Brad's seat and we all sat, except for Decker and Brad who ran off to the back rooms to get the talent moving. The four of us talked for a bit and they explained a little more about the longevity of DVDs down there, and the audiences that love the performers here today.

Decker and Brad return to their perch and talk for a minute to the cameraman. It's Robert, an old school dude from the film days now shooting digital. Decker goes over to the sofa and motions a girl to come over. Dressed in a cute summer dress is Besty. Benjamin whispers to me that she is one of the Aussie's favorite anal girls... in her name. Right behind her is Marshall from the bay area. After the silly set up as a delivery boy, Marshall gets down to business on Besty's glistening pink slit, lapping up her sweet lady juices. He uses one hand to pull open the plush folds of her labia and expose her clit to his flickering tongue and the camera. Decker whispers for Marshall to hold her in position as she rides him in the throes of her climax.

David explains the story line to me as I'm taking notes into my laptop. Teresa, who we'll see later, is the girlfriend of this electric car tycoon. He's always away on business so Teresa parties as much as she can, but the only stipulations are that she not fuck any guys and that she have another girl for him when he returns for their customary three-ways. The scene involving Marshall switched to him on the sofa and Besty more than eager to reciprocate as she feasts on his cock, deepthroating his massive tool to the point of audible gagging. Within minutes Marshall is holding Besty by her pretty flushed face and guiding himself along the bottom of her outstretched tongue, slowly teasing her as his muscles tense until Besty grabs his ass and forces him all the way into the soft back of her throat. Marshall leans over, moving himself further into her accommodating, stretched mouth, and shows her off her cum-covered face to the camera... and 'cut.'

"Pretty good blow job," says Robert as he wipes the camera lens. I look around and the crew springs into motion that Besty and Marshall seem oblivious to. Decker walks towards them and sets the next scene. He consults with Robert and he suggests some transitions to keep the fucking interesting. Decker agrees and backs away. Marshall and Besty get back on the sofa with Besty on her side and hunky Marshall behind her. Marshall feeds his engorged tool into her tiny, dripping snatch and drills her with a profound sexual fury. It is awe-inspiring to watch as he holds her in place and slams away while she wails, pants and moans. I momentarily pause from writing to watch more of the action.

Marshall then rolls her over and slides his dick slowly into Besty's slick ass hole. He builds up a deliberate motion in her ass, then once she begins to push her ass back, stretching her hole wider for him, Marshall increases speed and tempo. The look on Besty's face during her anal violation is one of the ecstatic rapture. I look over at the producer and David is leaning forward, elbows on knees, taking it all in. Marshall now pistons into her soft, pliable ass and pussy juice runs down her trembling legs. A series of uncontrollable orgasms shake the girl's ass cheeks. Next, Marshall slides her on top of him, in reverse cowgirl, with his dick

still firmly planted in her ass. She uses her legs and inner thighs to maneuver herself up and down, impaled on his meaty shaft. Then Besty rolls off Marshall and begins to choke on his dick until he loses control and unleashes a torrent of milky whiteness again into her mouth.

Decker stops the action and compliments them on their

performance. We reporters take advantage of the downtime to add more copy to the stories. I look up and see Marshall help Besty to her feet and hand her a towel that one of the PAs dropped on the sofa. The crew breaks the lighting down and begins moving over to the next location. Robert is already gone and Decker tells us to head upstairs. There we find luscious blonde Rachel already on her knees taking Chopper into the back of her throat as far as she can. Rachel is known as a ravenous cock sucker, and an Aussie favorite, I learn. Chopper poles her up and swaps saliva with her before positioning her curvy, bubble ass on the edge of the bed and fucks her doggy style.

Rachel moans like a wild horse once she gets his nine-inch dick fully inside of her. Rachel thrusts her tight, round ass back into his dick and Chopper has to grab the edge of the bed to keep up with her. One look in her eyes can tell you that Rachel is ready to eat him alive if she has to in order to get herself some satisfaction. After a wild ride, Decker cuts the scene off and calls out for a lunch break. By now it's almost two in the afternoon and the time has passed

slow and fast. Fast during the action, and painfully slow when there's down time and there seems like a lot of it.

This is my chance to interview Besty, but I see that Benjamin has already grabbed her. I ask if I may join them and they agree. Between bites, Besty answers our questions with candor and a few well-placed giggles. Ten minutes later I hear Decker call everyone back to the set. With almost no warm up, Decker positions Rachel into missionary with Chopper and quickly he burrows his dick into her pussy. Rachel relaxes slightly and lets out a satisfied moan. After several minutes of this, stopping now and then for different camera angles, Rachel climbs on top of him in reverse cowgirl for the final position. Fucking and bucking, Rachel cums like a wildcat. If it wasn't a real climax, she sure can act. But apparently one orgasm is not enough.

Now, it's seven in the evening and the sun is starting to set. The final scene takes place near the swimming pool, where Fairee, a young full-breasted newcomer who only does girls, asks for help preparing for the next sex scene from the delicious Bobbie and feisty pixie Stacey. Much of the dialogue is scrapped in order to get straight to the action and not a single crew member complains as the ladies begin to remove their bikinis and bury their faces in each other's juicy wet pussies.

Fairee's lithe, tender form and full breasts with rigid nipples seem to come to life beneath Bobbie's subtle ministrations. Her tiny ass offers virtually no resistance to the glass toy that Bobbie pries her open with. Bobbie crawls up into doggie, wiggling her ass in the air while she slurps on Fairee's slick pussy lips. Meanwhile, Stacey squats next to them and gives Fairee a deep tongue kiss, rolling her tongue sensually over her with their eyes closed. It is the familiar lipstick lesbian fantasy complete with groping, moaning and endless finger-fucking.

Bobbie double fingers both girls next, as they make out on the poolside lounge chairs. Then they team up on her and bang her with a toy while guiding her face into Stacey's pussy. The combinations seemed endless in this seductive world, and the shooting seems to go on forever. But suddenly Robert realizes they have far too much footage to ever use, and the scene wraps itself up with their final orgasms. Even as the crew packs up and prepares to leave, the trio seems disinclined to relinquish their passionate sapphic embraces and they linger behind, giggling and touching each other.

By now it's after midnight. Decker has set up rooms for us to bed in at the house. The next day the shoot is to move to another location nearby. Before we go, I spend a few minutes with Decker asking all the right questions and getting the standard answers from him. Our limo has arrived at the house. I get in and ride along with the three ladies and without makeup I don't recognize any of them!

AIDRA

Anything sexual and you'll find Aidra is involved. She has created a big name for herself in her short career so far with her, all-natural body and limitless sex drive "I like what I do, and it shows," she says, spreading her thighs and showing us her moist fuck-oven. "If you're going to do something, do it right." We'd like to do you right. It would be the best six seconds of your life!

“Have a nice day. And have it with me.” That’s mantra, and she lives it every day. A real people pleaser, we know she loves to be around like guys and girls. Web saw that as we watched a few of her videos. Wow, this girl is hot, and we mean super hot. We looked ‘hot’ up in the dictionary and saw her photo there!

Editor: Hello, Aidra and thank you for taking time to talk with me. I’ve been looking forward to it.

Aidra: Thanks, I can’t wait to hear what you’re going to ask me.

I’ll be kind... So, how old are you and how long have you been in the business??

Aidra: Great, two questions in one. I’m old enough and have been so for a few years.

A little more about you, if I may. How would you describe yourself?

Aidra: I don’t take crap from anyone, don’t have to. That being said, I love people and consider myself a people pleaser. And anyone who knows me can tell you that I give as good as I get, and much better whenever I can. Just ask.

Do you like working with girls or guys better?

Aidra: Oh hell yeah. I love getting my freak on with babes, guys are fun, too. I love them all. Figuratively of course.

Are you married or in any type of serious relationship?

Aidra: No and no. There are a couple of girls or guys I can fuck when I want to, but I get my fill of sex during work. Thing is, I want to fuck a hell of a lot.

You look like you're in great shape.. Do you work out or go to the gym?

Aidra: No gym. I like long walks. That keeps me in shape.

What kind of guys do you like?

Aidra: I like guys who show self- confidence, but aren't high on themselves, and aren't all macho. Don't give me this you-are-my-woman shit.

Do you like to take charge of the sex when you're with the guy?

Aidra: I like to call the shots about positions and I will tell a man how to eat my pussy if it looks like he doesn't know what he's doing. Generally, though, I don't have to deal with that because all my partners are pretty experienced..

Are you into sex with women privately?

Aidra: Of course. I go both ways, but I think I'd do guys more. With girls, I like to let the woman take charge. It's the type of thing where I like to chill and let her do it to me.

Do you do three ways? Four ways?

Aidra: Only at work. That's part of the job and I like it. But in my personal life, I like to get personal so it's one on one.

Do you like doing two guys at the same time?

Aidra: I'll admit it was a little awkward for me the first few times I had to for a shoot. I had never done it before. I felt too closed in. But I got used to it and got to know the sexual rhythm. And most of the guys in the business do it all the time, so they make it easy. A good director can make it easier, too. I don't feel that way if I'm between a guy and a girl.

Do you get off watching sex?

Aidra: I never really thought about that, I guess I do. I don't get off watching other people have live sex on set. I'm usually a cheerleader. I can get excited watching a video. You can concentrate on the things that turn you on. And if it's well shot and edited, it can be quite arousing.

Are you into anal sex, rimming, and/or back door fucking?

Aidra: I like rimming a guy, but I like to rim a girl more. It's okay, but it is nothing like sucking dick or licking pussy.

Are you into using sex toys?

Aidra: I use vibrators at home and with my personal partners, but that's about it. Our tongues, fingers and pussy's are all we need to make each other cum. On set, that's another story... I have to there and I like it, or have to show that I like it

Before we go, do you have a quick sexy story to share?

Aidra: Oh sure. I was with a guy and my girlfriend was with one too. My guy opened his pants and shoved his hand down my panties as we Frenched. I groped his cock and getting hornier and hornier. I got up, took off my pants and panties at the same time and demanded to see his cock. Well, he and the other guy got all shy about it and we told them we would kick their asses out of the apartment if they couldn't handle it. So, my guy stripped and so did hers, but they avoided looking at each other at first. I sat on my guy's lap and I took his cock in my pussy by lowering it on him. I did a reverse cowgirl so I could watch my girl and her guy.

MEGAN & MORGAN

Megan and Morgan are a whole lotta fun. Just meeting them you can tell they are in for a good time. How good depends on a lotta things. One of them is how many vibrators and dildos are at hand.

It looks like they have long standing relationships with their dildos. They even know how many times each one has been used and into whose tight, wet pussies they have splunged. There's nothing like two dirty girls getting it on, unless a third one joins in. Maybe they'll let you too.?

YAY!!! SINDEE'S HERE NOW!!!

MANDY, OH MANDY, I LOVE TO EAT YOUR...

Last year I was dating a hot eighteen year-old woman-girl who had long dark hair, beautiful blue eyes, and an extremely pretty face. I have to admit, even now, our sex life was always fun and often adventurous. One time, during a hot summer day in Phoenix, we were at my house, just hanging around. The heat was pretty intense outside and in, so our energy level was low. They call me JD and Amanda had crashed on my bed while I did the dishes from the day before. After I finished, I went to see if she wanted to do something and when I got to my room my energy level immediately jumped up.

Mandy, as I call her, was propped up against the headboard thumbing through a magazine with her T-shirt pulled up. I stopped in my tracks and took in the sight. She had the most perfectly shaped, firm breasts I have ever had the pleasure to see, and play with. Even with the air conditioner going, there was a light coat of sweat covering her chest that made

them shine from the sunlight passing through the bedroom window. At that point, I didn't care about the heat. All I wanted was Mandy.

I went over to her and climbed on the bed next to her. I leaned in and gave her cheek, then her nipples soft kisses. That brought a smile to her face. Then I started making little circles around her nipples with my tongue. She closed her eyes and

softly moaned. Amanda loved having her boobies sucked. She took the hand that was pinching her nips and pushed it down toward her pussy. I sucked her nips some more and began to rub her pussy through her shorts. Next, I gave her a long deep kiss, then I proceeded to slide my tongue down her neck, between her boobs, then down to her shorts. I gently removed her shorts to expose her perfectly shaved pussy.

Starting from her calf, I slid my hand up the inside of her leg. Knowing how much I love to eat her pussy, she started to squirm, trying to get me to hurry up. When I finally did reach her pussy, it was absolutely drenched. That brought a smile to my face. I licked and sucked her clean. Amanda had the best tasting pussy in the world. I loved it, and so did she. I ran to the bathroom and took a vibrator from one of the drawers. Before I went back into the room, I told her to close her eyes. She giggled nervously. I pulled Mandy's legs off the

edge of the bed and knelt down on the floor between them for easy access to her hairless pussy. I turned on the vibe and touched it to her pussy lips. Then I opened them with my other hand and touched the buzzing vibe to her clit.

She giggled, saying it felt really good. That changed when I slid the entire vibe quickly deep into her wet hole. She gasped. Then I quickly pulled it out shoved my tongue into her pussy, and sucked up her juices. I did this three or four times before she told me to put it away and come into the bed. I pulled my shorts off releasing my rock hard cock. I teased her a little by rubbing the head of my cock against the outside of her pussy. Anxious for a fuck, she grabbed it and shoved it into her hot box, giving me a scolding look because I took too long to put it in. So I jammed my cock all the way in and her head flew back against the headboard. Yes, it's padded. That afternoon, we fucked on the bed, on the floor, standing up and sitting down.

Finally we took a shower together, taking turns washing each other. We fucked in there too until the hot water eventually ran out. Mandy and I went to the movies that night and afterwards had dinner out at a local pub. As the summer months ended went by, we eventually had to go back to college. I hope Amanda reads this and gives me a call. I'd love to kiss her breasts once again.

FRONT SEAT LOVING

Hi there, I'm Erick and Candace and I were on a road trip to Dallas from OK City. We like taking these types of road trips because there's nothing like the feeling of the wind through your hair. Yes, I have a convertible. It's nothing fancy, just a 2008 dark blue Ford Mustang. As we always do on these little day trips, neither of us wear underwear. Can you guess why?

Today, It's pretty warm so we're both in loose-fitting clothes. Candace's shirt was sleeveless, and her tits were pretty exposed since she only had one button closed. The breeze flapped around the material giving me, and anyone else, quick glimpses of her full boobs. She had her jean shorts undone and opened in a deep V that stopped just above her pubic hair, nicely trimmed, I might add. She would adjust herself in her seat, exposing her pussy lips for a moment, then readjusting to cover them up. I know she was doing that to excite me just as we reached a busy stretch of southbound I-35.

I was already pretty hard and she was making my cock throb even more. Reading my mind, she decided to prove that she was just as turned on as I was. In a heartbeat she had pulled off her shorts and turned towards me and raised her left leg onto the back of my seat. Well, that exposed her pussy

right in my direction. She rubbed it a few times, getting it primed for someone's fingers, hers or mine. I couldn't resist probing it with my right hand. Had to keep the left on the steering wheel! First one, then two fingers. She was soaking wet, and her fluids were slowly sliding down her thighs. Leaving my two fingers in her, my thumb went to work on her clit. She twisted and squealed and thrashed, but she did not push me away.

It was hard not too look but I had to be mindful of the freeway traffic and, of course, the speed limit. As I looked over at her one time, I noticed a long-haul semi pulling up alongside in the passing lane beside me. But he wasn't passing. I'm now doing at least 65 miles an hour and this dude is looking right into my car. That's when Candace decides to reach over the stick shift. Before I could stop her, and while I was still struggling to control the car, she had my shorts down to my knees and had swallowed my cock!

The semi slowly pulled forward, the driver giving me a thumbs up and pulling twice on his air horn as he continued by. I was about to completely lose it, but I knew I couldn't drive under these circumstances. Assuring her that I loved what she was doing to me, I frantically pulled into the next rest stop a few miles later.

The parking lot was full, but we didn't

care who saw what was happening. I pulled way over to a more secluded corner at the end of the parking lot. After we stopped, I pulled Candace's pussy to its rightful resting place, straddling my cock. She pulled both of our shirts open and rubbed her boobs against my chest. The feeling was sublime. She hungrily attacked my mouth as she humped on me and soon we both rocked to orgasm. We panted in each other's arms for a few minutes, pulled our shorts back on, and drove away, headed to the big D.

THREE-PLAY

Francis, a good friend of mine arrived at the restaurant with the cake and a bottle of champagne. My long time boyfriend, Stefan, and me, Shane, were having a celebration for our graduation from college. There were about twenty people there and we had a great time drinking and dancing until around midnight when they decided to kick us out. We left and drove to her place.

The two hours of reminiscing went quickly as we sat on her bed and finished off the champagne. At the end, our conversation turned to famous female actresses we'd like to be stuck on a deserted island with. My choice was Marilyn Monroe; Stefan said he liked Elke Sommer; and then asked Francis. To our surprise, she said Katherine Hepburn who wasn't known as a sexpot. Stefan asked if it was because of her famous boat ride with Bogart or because she may have been gay. Afterwards, Francis smiled

and didn't say anything.

Her silence shocked me a little. I had no idea that Francis could have been attracted to women. While I was getting to know her better over the preceding months, I had become very attracted to her but never said a word. I never thought we would actually get involved sexually, but here was my chance, I thought. Stefan continued to ask her more probing questions as I started running my fingers through her silky hair. I was so excited, I was almost having a hard time breathing!

Suddenly but slowly, Francis turned and kissed me, tentatively at first, then quite passionately. Her tongue played with mine and I was in heaven. I was trying to take it slow because I didn't want to scare her, but she grabbed my hand and put it on her breasts. Okay, I thought, this is really it. I pulled off her shirt and then her bra. I rubbed her firm young boobs and sucked on each nipple until they were hard. She took off my shirt and fondled mine in return. By now Stefan had found a comfy section of the bed's real estate and was watching us.

When I reached her belly, I pulled off her pants and cotton panties. I pushed her back on the bed and lay on top of her while I kissed my way down her body. She didn't have any hair down there, which kinda surprised me, but made it easy to see her wetness. I rubbed her juicy pussy, then I licked it. She pinched her own nipples and cried out as I continued licking and sucking that sweet pussy while I

finger-fucked her. She then grabbed my head and pushed my face deeper into her pussy. I obliged by inserting my tongue as far as it would go.

In my sexual heat, I temporarily forgot about Stefan since I was so into eating her pussy. I felt him pull my pants off from behind so I lifted my ass into the air. His rock hard cock was now pushing against my love hole. He pushed it in and fucked me from behind while I ate Francis's pussy. She bucked her hips and loudly cried out that she was cumming. I furiously licked her until she had finished. Then I lay down next to her and kissed her so she could taste her pussy juice on my tongue.

Stefan proceeded to kiss Francis, too, then sucked her perky boobs. I took his cock and introduced it to her mouth. She eagerly sucked on it for several minutes until I pulled it out and pushed it into her juicy pussy. I grabbed his ass from behind and pushed so his cock went deeper. Then I grabbed his flopping balls and pulled them back and down. He moaned in pleasure and pumped her harder. She moaned for Stefan to fuck her harder. He happily obliged, ramming his cock in and out of her wetness. What a screamer she was.

Finally she came hard as I sucked hard on her nipples and played with his balls. He pulled out just in time to splooge on her tummy. I moved my head down to lick it up. He backed off her and fell on the bed. We all decided that this was the best graduation present.

Hey Chantelle, Fentel... "Gettin' naked and fuckin' the shit out of Ginger's tight pussy!" Chantelle explains, stripping naked and fuckin' the shit out of Ginger's tight pussy. "Sometimes you get so damn horny you just have to drop everything, get naked, and fuck your BFF silly. Do you understand what I'm saying?" Loud and clear, Chantelle. Why not fuck us next? Wouldn't that be silly? Breast friends forever!
